## LATONIA MEETING OPENS

BIG CROWD VISITS PICTURESQUE COURSE IN SPITE OF INTENSE HEAT.

Belloc Scores Fluky Victory in Inaugural Handicap -Two Substitute Races Carded as Result of Numerous Scratches.

Cincinnati, O., June S.—Latonia's meeting of twenty-four days was inaugurated this afternoon moder most promising conditions and in a manner that indicates it will receive its fair share of the other Kentucky courses this senson. The weather was sweltering, but the immense gathering that witnessed the sport appeared unmindful of the heat and enjoyed the racing hugely. Heavy rains that fell Sunday was expected to put the track in bad condition and caused many scratches. The third and sixth races suffered so much that substitutes were provided. Those who had figured on a bad course were greatly surprised to find the going fast. This was because track superintendent Keegan made an extra effort with his skilled force.

The picturesque Latonia course never looked better nor fresher than it did this afternoon. The extensive improvements since last senson were favorably commended on. The follage and banks of flowers on the lawns and in the clubbiouse garden were particularly noticeable and pleasing. The fracing was on a par with that which has been witnessed at the courses in Kentucky this season. The feature was the hangural Handleap, one ande and a sixteenth, the \$2.480 net of which went to the winner, going to the credit of James MacManus' Belloc, which scored in the last stride over Solar Star, with Samnel R. Meyer a close up third, Belloc's victory was extremely lucky, for he was far from best. Solar Star was clearly his superior, and Keogh tossed off the rich prize by his failure to observe the Macnanus are coming up on the inside with a wonderful burst of speed. Keogh had been intently watching the game, but hopeless effort of Samuel R. Mever and, on finding that Solar Star held him safe, became a bit overconfident and entirely overlooked Belloc until after the latter had picked him some in front just at the finish.

Juckey Neylon was also guilty during the afterhoon of tossing off a race that he should have won, hecause of his failure to be alert at a critical period. His mistake came in the closing dash when

Manager John Hachmeister is making every preparation in anticipation of seeing at Latonia next Saturday the biggest crowd that has ever gathered at the course to see a Derby race run. The race meetings at Latonisville have been so successful this causon and the special occasions have drawn out such enormous crowds that he has good grounds for the helief that a record-breaking crowd will gather at this beautiful course next Saturday when the great mile and a half race is decided. With track conditions favorable it is likely that Governor Gray's Derby record of 2:30% will be beaten.

Movement to Restore Sport Arouses People of New Orleans to Remarkable Efforts.

New Orleans, La., June 8.—New Orleans was more stirred up yesterday over the proposal to re-store racing in Louisiana under the pari-mutuel system than it has been excited before in a decade. both foes and adherents of the measure crowded all possible work into the day, as it was realized that the crucial fight will take place within a day or two.

that the crucial fight will take place within a day or two.

In Lafayette Square a great mass meeting of business men and others was held. Five addresses were made to a cheering throng that stretched farther than their voices could carry. Each of the speakers made caustic references to the part certain club women have taken in circulating petitions against the measure, and among the applauders were numerous society women who have taken sides with the racing advocates.

At the conclusion of the meeting a majority of the crowd, with brass bands and fifty or more automobiles, paraded the business section, cheering lustily. No such crowd ever before was massed on the downtown streets on a Sunday.

From nearly every pulpit in the city there were sermons on the subject of racing. Most prominent of the dissenters from the majority of ministerial opinion were Dr. A. Gordon Bakeweil and the Rev. Father Foulkes, S. J. The former, ninety years old and rector of Trinity chapel, declared he favored racing and thought it a good thing if the rougher element could be excluded.

Father Foulkes, according to Archbishop Blenk, "Syvated the issue." The archbishop who has tiken.

element could be excluded.

Father Foulkés, according to Archbishop Blenk, 
"evaded the issue." The archbishop, who has taken 
a leading part in the fight against racing, asked 
all Cathodic priests in the diocese to preach against 
the bill, although he himself did not do so. Father 
Foulkes, next to the archbishop, is probably flee 
leading. Cathodic prelate in New Orleans, being the 
priest in charge of the powerful Jesuits church. 
Today a big excursion was run to Baton Ronge 
and scores will remain in the state capital through 
Wednesday, when the bill probably will be passed 
or killed.

Baton Rouge, La., June 8.—Interest in the racing situation is intense tonight. The Reimfart bill, as amended, will come up for engrossment and advancement tomorrow and it is expected that its opponents will move to indefinitely postpone, in which event the test will come in the House. Two hundred tom-iness men arrived from. New Orleans by special train this afternoon and took up quarters at local train this afternoon and took up quarters at local train this afternoon and took up quarters at local train this afternoon and took up quarters. They flung a hage banner across Third street bearing the legend: "Headquarters New Orleans Business Men: We Want the Races." They waited on Governor Hall this afternoon in a body, or as many as could crowd into the executive office, to ask him to keep his hands off the fight. If he will, they declare they can carry the measure through the legislature. Governor Hall is on record as declaring that he would veto a bill repealing the Locke law, if it should pass.

With the powerful pressure brought to bear in New Orleans, however, and with the referendum submitting the whole question to a vote of the people, it is being whispered that Governor Hall may possibly consent to allow a bill to become law without his signature if both houses should pass it.

A mammoth mass meeting of racing sympathizers was held in Lafayette Square, New Orleans, Sunday afternoon, which was attended by from six to eight thousand persons. It was then determined to storm the capitol today.

The Baton Rouge correspondent of the Time-Picayune writes that paper as follows:

"During the week just past, racing has developed into a far bigger issue than those best informed on legislative matters thought possible. When first introduced the bill was comparatively a joke, as far as opportunities for its passage were concerned. Then several days of extremely active work by Representatives Reinhardt and Labarre, its leading backers, changed the situation a bit and the bill received the courtesy of reference to a favorably disposed committee.

"Apparently the success of the proponents in the

disposed committee.

"Apparently the success of the proponents in the initial contest aroused to action the previously silent racing advocates in New Orleans. At the hearing before the City Affairs Committee ten days ago they appeared in considerbale numbers. That inspired further efforts and a delegation of them remained at the capital throughout the week just past. Thursday night they demonstrated a pari-

past. Thursday night they demonstrated a parimutuel betting machine in the House.

"In the meantime a committee organized in New Oleans apparently had begun working the parishes getting in behind wavering members through friends and business connections. Friday, for the first time, sentiment among House members seemed to have backbone.

"There is good ground.

have backbone.

"There is good ground for the belief that when the bill comes to a vote Wednesday the contest will be both bitter and close. Some days ago the opponents of racing polled the House and pledged seventy members to vote against the Reinhardt bill. That would reduce the possible number of votes for the bill to forty-eight, with sixty necessary to pass. But since that time the bill has been re-written and a proposition added for referendum and recall. This feature of the bill has strengthened it perceptibly. The prevailing opinion still is, however, that the bill cannot pass the House."

## TWENTY LEADING AMERICAN JOCKEYS.

A. Neylon, J. Smyth, F. Keogh, Eddie Taplin, W. Obert, C. Knight, J. McTaggart and J. Kederis have added materially to their scores since the last publication of the standing of American jockeys for this year two weeks ago. McTaggart has such a long lead on all the others that it seems likely he will figure at the head of the list at he end of the year. BELMONT PARK SCHEDULE CHANGED.

Postponement of Polo Game Leads to Decision to Race Today-Flying Fairy's Handicap.

New York, June S.—Interest at Belmont Park today chiefly centered in the running of the McKinney Handicap, in which Flying Fairy took the measure of good opposition. Buckhorn, one of the choices and the top weight, attempted to go along in the early part of the race with the lightly-weighted Thornhill and as a result succumbed after entering the stretch. Flying Fairy, closing fast, wore down the tiring Thornhill to win going away. The Cassatt stable also accounted for the second race with Spring Board. The running of the race was marked by a bad jam on the far turn in which Isdora, ridden by Butwell, went down. Spring Board and Grover Hughes were the offenders. After the finish the stewards questioned T. Davies who had the mount on Spring Board, but the result was allowed to stand as the horses finished.

Marion H., a good-looking filly, beat The Masquerader handily in the first race after showing high speed all the way. The Brookside Stable, which is trained by George M. Odom scored its first victory of the season when Coquette won the third race.

For the second time this year three-year-olds were asked to race through field. The Hitchcock entry, Sorrel and Bayhead, ruled first choices and Sorrel won in handy fashion after leading throughout. Baybead and Aberfeldy lost their riders, both of whom escaped injury. San Vega was in a soft spot in the final race and holding his opposition safe for speed all the way won by a comfortable margin.

The Masquerader's defeat today by Marion H. was said to be due to the fact that the Garth col has been slightly alling for the past few days and not up to his best form.

Pennant, Forum and Meeting House will be shipped to Montreal Thursday by James Rowe, it being the intention of Mr. Whitney to start Pennant in the Dorval Derby.

Contrary to the report of Saturday, there will be racing at Belmont Park tomorrow, the polo game having been postponed. A program of six races was arranged today.

with Colquitt and Ask Ma.

Montreal, Que., June S.—The scene of racing shifted from Blue Bonnets to Dorval this afternoon, when the inaugural spring meeting of the Dorval Park Jockey Club began at its new course near Lachine Rapids. Much work has been done on the plant since last fall. The track proper is faster than it was last September when a sort of experimental meeting of five days was held. An immense crowd was in attendance, the French element being much more noticeable than at Blue Bonnets. A splendld program was provided by the club, the features being an allowance race at six furlongs and the King George Stakes, \$2,000 added, a dash of one mile and a sixteenth. R. E. Watkins furnished the winner of the stake in his Broomstick four-year-old, Barnegat, which came from behind and won in easy fashion from Tactics and David Craig. The latter ruled favorite, and was outweighted. The King George Stakes is the second fixture that Barnegat has won here this spring. He heat a good lot in the Jacques Cartier Stakes at Blue Bonnets on the opening day. There were several withdrawals from today's races, among them Waterbass, which is being reserved for the \$20,000 berrly to be rum on Saturday and the good four-year-old, Kingly. The latter bowed a tendon in the Windsor Hotel Cup on Saturday and the good four-year-old, Kingly. The latter bowed a tendon in the Windsor Hotel Cup on Saturday and the good four-year-old, Kingly. Great things were expected of Kingly this year and only recently a big offer for the colt was turned down by Mrs, Livingston.

Harry Payne Whitney's Cabaret won the six furlong dash. Different tactics were pursued with Cabaret than heretofore. He was sent to the Front, and, showing keen speed, was never headed. At the clud, however, Nathan was forced to ride Cabaret out to withstand Bwana Tumbo's challenge. The latter probably would have

## DENVER MEETING TO OPEN SATURDAY.

Denver, Col., June 8.—The summer meeting of nineteen days at Overland will begin next Saturday, with the running of the Opening Handicap of one mile, with eighty-five nominations from which to draw a good field, as the feature. There probably will be ten or more starters in the race and Wade McLemore's Truly will be one of the choices. Trainer Munford has the McLemore horses in excellent condition. Light O' M' Life, in the stable of D. G. Nelson and trained by Guy Gray, will also be numbered among the starters. He has had a long rest at his owners' farm in Missouri and in his morning work he has been going along fast. Henry Walbank will be the representative of the Tam O'Shanter Stable. Barsac has been taking to his work well and is in good racing trim.

Blaruey will probably be the only three-year-old in the race. He has grown to be a grand looking colt. Orlin Kripp is in the pink of condition and trainer H. W. Hoag feels satisfied that he will make a good showing.

Other likely starters include John Graham, Goton Russell, Voladay Jr., Burnt Candle and Blue-Beard.

don Russell, Voladay Jr., Burnt Candle and Blue-Beard.

James McThauey, who for years has been in charge of the jockeys' room on western tracks, while en route here to assist Judge Leighton, met with a painful accident at Albuquerque. In trying to board a train after it had started and the brakeman had closed the vestibule, McThauey grasped the hand rail but was unable to support himself until the vestibule could be opened and he fell beneath the wheels, which crushed his right foot so badly that all the toes had to be amputated.

H. D. Brown has made an offer to W. W. Finn to take the racing management of his new Cuban track at Havana. Mr. Finn has taken the matter under consideration and will give Mr. Brown a reply on his return here from Los Angeles.

Sam Rothert, who acts in the capacity of timer and paddock judge at Vancouver, has arrived here.

CANADIAN BREEDING BUREAU ACTIVITIES.

Montreal, Que., June 8.—The well-known thoroughbred horse Bwana Tumbo, foaled in 1909, has been donated to the Canadian National Bureau of Breeding. Bwana Tumbo is a big and grand-looking horse and a well-known stake winner, one of his victories having been scored in the Connaught Cup here last season. He is by Bryn Mawr, by the Irish horse Atheling, by Sterling, out of Affect, by His Highness, by The Ill-Used. His grand sire, Atheling, was out of a mare by King Tom, thus giving Bwana Tumbo the peerless King Tom blood on both sides of his pedigree. His dam, Affect, is a daughter of Eosite, by the English stallion, Eothen, out of Invermore, by Lexington.

H. G. Bedwell has donated the big thoroughbred stallion Eddie Graney to the bureau. This is a fine big horse, beautifully bred and well qualified to get officers' charges when mated with the right sort of farm mares.

There are thousands of small farmers and breeders in Canada at present interested in the solution of the remount problem, and the big strides which have been made in the last few months in this direction has caused such an unprecedented demand for thoroughbred sires that the bureau is straining every effort to secure more thoroughbreds, and owners are responding readily for the good of the ewe company formed to bandle at the said.

Rouse, secretary-treasurer, Montreal.

#### NOTES OF THE TURF.

It is reported that the proposed meeting at Valleyfield, Que., will be cancelled.

C. R. Ellison is among the patrons of the sport at Latonia.

It is likely that the Gentlemen's Driving Park track at Baltimore will change hands within the next few days.

E. B. Parsons, who is training the horses Electrician, Jack Hanover and Hyki, has taken jockey J. Sweeney in charge.

Capt. James H. Rees of Memphis is the guest of Col. Alex Labold at Cincinnati for a few days of the Latonia meeting.

J. B. Campbell has received a letter from E. W. Maginn, who has been ill at his home in St. Louis, stating that he will probably be in condition to resume his duties at Latonia before the end of the present week.

sume his duties at Latonia before the end of the present week.

Former jockeys Walter Miller and Herman Radke were recent visitors at Belmont Park. The former has a men's furnishing business and the latter keeps a billiard hall in Chicago. Both were premier jockeys in their day.

William Ryan of Chicago, who is enjoying the races in France, England and Germany, was among those who backed Durbar for the Epsom Derby. He writes that he would have had a big bet on the norse but for the fact that his gallops in preparation for the race were unsatisfactory.

The Prix de Diane, a race at ten and one-half furlongs, for three-year-old fillies, and valued at \$23,400, was won at Chantilly in France, Sunday, by the 30-to-1 shot, Alerte VI., owned by M. Roederer, which beat the favorite, Edmund Blanc's Mousse de Mer, by three-quarters of a length. Baron Maurice de Rothschild's Diavolezza was third, Herman B. Duryca's Ardee ran unplaced.

"I don't know that Pennant is going to scare me," said John F. Schorr in talking about sending Luke McLuke to Montreal to run in the Dorval Derby next Saturday. "I know Pennant is a good horse, but I have a good horse also, one that will keep stepping all the way, and if Pennant has any desire to quit on the way home Luke McLuke will be looking him in the eye. There is no question Pennant was straight in his mile and a sixteenth trip, and he will have to go further than that in the Derby."

At Piping Rock Saturday afternoon there was a constant promenade of boxholders along the laws.

the Derby."

At Piping Rock Saturday afternoon there was a constant promenade of boxholders along the lawn and through the wooded paddock. There was no race in which the members of society were not interested and the saddling of each horse was watched carefully by the friends of the owner, who clustered around him to wish good luck to his colors. The bright sunshiny day brought out gay colors in profusion and it may safely be said that never before in this country was there an assemblage which so closely resembled the gatherings for which Goodwood and Ascot have so long been famous in England.—New York Sun.

## PRAISE FOR A WHITNEY TWO-YEAR-OLD.

H. P. Whitney is the possessor of a promising two-year-old, in England of his own breeding, being by Fowling-piece from his young mare Lady Hamburg, which as the Hamburg—Lady Frivoles filly won the Fitzwilliam Stakes. Wilbraham Plate and Mersey Stakes for him in England in 1910. This colt ran third in the Bedford Stakes at Newmarket, and in commenting on the race in London Sportsman "The Special Commissioner" said of him: "Perhaps the best-looking of them all is the very truly moulded silver-ticked bay colt by Fowling-piece out of Lady Hamburg. He has a blaze face and white over both hind and his near fore fetlocks, so he is easy to recognize. Joyner did not much fancy him today, as he is clearly backward, but had a little money on for the benefit of the stable. The colt ran very well indeed, and was only beaten a length and a half from the second, which was only just caught on the post by the winner. It is to be said for Archiestown, however, that he ran green, and Donoghue had to exercise great discretion and patience to get him there at all. Nevertheless, Jovner's colt is a good deal-more backward in condition. The Lady Hamburg colt has been dressed for thoroughpin outside his near hock, and that may account for his backward condition. He should certainly be made a note of."
